### Quality Control Certificate of Analysis

Product: Iodine Exp. 4-2016

Lot Number: 012915B Ship Date: 07/20/15

Ship To: Medivators

This document confirms the product described above was tested and meets quality control guidelines at each color test level.

Product testing was performed at two different phases of production: (1) During paper impregnation and (2) after final product assembly. Testing was performed with approved standards. All results met specifications by being within one color block of the standard level.

Therefore, this product is approved for use by the Quality Control Department.
